Patrons of Farmers Co-op Oil Company:

As the business environment has changed over the past few years, it has become increasingly difficult to sustain profitability and employees within our Shop in Renville. It has become evident that the only option that protects the patrons' equities is to permanently close our Shop.

The closure of the Shop will be on June 1, 2024. This decision was not easy. The closure of the shop has been discussed for the last three years numerous times hoping that we could find a way to maintain the location.

Over the course of the next few months, we will be liquidating the equipment and some of the inventory. If you are interested in any of these items, feel free to contact Scott at our office (320-329-8351). We want to thank all the members that have utilized our shop over the years' and we ask for your understanding as we go through this difficult process.

Sincerely,

Greg Steffel, President
